

## **Director of Academic Life**

### **Job Summary**

As a member of the Leadership team, the Director of Academic Life is responsible for curriculum, instruction, faculty development and evaluation, and the formulation and execution of academic policies, procedures, and services. The Director of Academic Life is accountable to attract and retain the most capable and mission appropriate faculty and academic support staff, and to ensure the highest quality classroom and learning experience to De La Salle students.

### **Qualifications**

At this transitional moment in the history of De La Salle Collegiate, the Director of Academic Life will be charged with enhancing a culture of academic excellence at the school. The ideal candidate will be a person who embraces and lives out the “Five Goals of Lasallian Education”.

The Director of Academic Life should possess significant leadership experience and have at least seven years of instructional experience at a secondary setting. The ideal candidate should be properly credentialed to lead an academic community.

The Director of Academic Life is seen as a collaborative leader, possessing strong communication skills, an empathetic heart and a high-degree of energy and commitment to the mission of the school.
