

Calvert Hall is currently seeking a Chemistry/Physics Teacher for the 2019-2020 school year.

Calvert Hall College High School, a Catholic and Lasallian college preparatory school, provides a diverse community of young men with a broad and balanced human and Christian education through excellent academic and extracurricular programs that promote leadership, achievement and service within the church and community.

We are seeking a teacher for the 2019-2020 school year who can teach Chemistry with the possibility of also teaching Physics.

In addition to teaching, there is a strong preference for someone who will be involved in our extensive co-curricular program, whether in athletics or activities.

A Bachelor's Degree in a Science-related field is required. A Master's Degree and/or previous teaching experience is preferred. Knowledge of best practices and strong instructional and pedagogical techniques is also imperative.

Additionally, we seek someone who can:

- Work well in a team teaching environment.
- Share in presenting course lectures.
- Develop and administer a balance of traditional and alternative assessments.
- Maintain classroom decorum, encouraging orderly and stimulating discussions and student participation.
- Provide support for our students both in the classroom and outside class time.

Calvert Hall is an equal opportunity employer, and is constantly seeking excellent candidates to fill faculty and staff positions. In each position, we seek someone who has the ability to work on a team, who is open to professional growth, and will be committed to our school's Lasallian mission.

Deadline: Resumes for this position will be accepted until May 10, however interviews may be scheduled as resumes are received.

Qualified candidates can submit their resumé electronically to employment@calverthall.com (Word/PDF/RTF format preferred). Resumés can also be mailed to:
