# A Prayer to be Lasallians Without Limits

“Say to Jesus as the apostles did:  
‘Lord, teach us to pray.’”

***Saint John Baptist de La Salle***

(Letter 111 — to a member of a religious  
community of women, date unknown)

***Remembering that we are in the Holy Presence  
of God, we pray:***

To be light to those in darkness,

To build sustainable communities wherever  
we find ourselves

To be hope for those without,

To stand in solidarity with those on the margins

To recognize the inherent human dignity of each person,

No matter the circumstance

To discern how to be our best selves,

In the midst of a chaotic world

To embrace our identity as Lasallians without Limits

**Saint John Baptist de La Salle**

***Pray for us!***

**Live Jesus in Our Hearts**

***Forever!***
